COFFEEEEEE

SO WHAT AM I...

SO, WHAT AM I?

- the other things that define who you are: your height, your weight, your shoe size, your relationship with your mother or father, or siblings and children, where you were born, where you live, how you live, who you love, how you love, the fact you were a poet and not a conspirator, your pride about your hair, your refusal to eat anything but ham and cheese sandwiches on white bread, you keep a diary and every birthday card you have ever been sent, your love of lemonade and tinned peaches and your utter disdain for strawberries, your favourite film is **Singing in the Rain**, your love of robins, your sensitive skin, the mole on your forehead....
